

DUAL DEGREE IN SCIENCE AND ARTS APPLICATION FORM

This form is for BSc students only.

If you are a student in the Faculty of Arts, please contact [Arts Advising](#) for more information.

Eligibility requirements:

- Current BSc student who has completed a year in a Science specialization. Students with a prior degree (e.g., second degree students) as well as students in double majors or a minor are not eligible to apply
- Attempted credits at the point of application do not exceed 78 credits
- Maintain good academic standing and an average of at least 68% in each term throughout the program
- Students in a BSc major in the following disciplines cannot also pursue an Arts major in the same areas: Computer Science, Geography, Mathematics, Mathematical Sciences, and Psychology

Application process (follow these steps in order):

1. Complete your first year in your Science specialization
2. Get approval from your primary specialization advisor (if granted, they will sign below)
3. Get approval from [Arts Advising](#) and the advisor of your intended Arts major (if granted, they will sign below)
4. [Submit this form to Science Advising](#) between **July 1 – 15**
