DOUBLE MAJOR IN SCIENCE & ARTS FOR BSC STUDENTS
APPLICATION FORM

A Double Major in Science and Arts is available to students in a BSc program. All requirements of the Faculty of Science and the first Major program must be satisfied. For the second Major (in Arts) students must complete the requirements for the Arts Major which consists of at least 42 credits in one subject or field of specialization including at least 30 upper-level credits. Some Arts Majors have supplementary applications (see the Faculty of Arts section in the Calendar).

Applications will not be accepted before the student is established in a BSc major in second year or after the student has completed third year. Entry into, and continuation in, a double major program requires that the student remain in good academic standing with an academic average of at least a C (60%) in each term. All BSc degree requirements must be completed within a maximum of 180 attempted credits.

RESTRICTION: Not all combinations of Majors are possible. A Science student may not complete both a Science and an Arts Major in Cognitive Systems, Computer Science, Geographical Biogeosciences (Science)/Geography (Arts), Mathematics, Mathematical Science, and Psychology.

Please email the completed form to the Science Information Centre (advising@science.ubc.ca).
