

DISCOVER THE WORLD AROUND YOU

SCIENCE 101

Join a **FREE** 3-month, non-credit course. Learn from UBC professors about space, earthquakes, botany and more! No prior knowledge or education is required — all adults are welcome.

Students gain a better understanding of the world around them, meet others, and have fun while exploring exciting topics in science. Contact us for more information. There are no associated costs and transportation is provided.

LOCATION AND TIMES

Lectures: Tuesdays and Thursdays from 6:00-8:30 PM at UBC Point Grey
Tutorials: Wednesdays from 3:00-4:30 PM at the UBC Learning Exchange
Field trip days and times vary weekly

2020 COURSE DATES

Orientation day: May 4
Weekly lectures, tutorials, and field trips: May 5-August 6
Midterm break: June 22-26
Graduation date: August 6
